Sir Robert Baden Powell. B.
London

Dear Sir Robert

The Russian Boy Scouts send their warmest
congratulations, and sincere good wishes to you
on your birthday.

You are very dear to the heart of every
Russian Boy Scout.

As the humblest sign of our esteem,
admiration and love, we unanimously ask
you to accept our highest decoration the "White Bear".

Gratefully I ask you and Lady Baden Powell
to accept the Scouts' and girl guides' kerchiefs that
I made myself.

We all hope that you may be blessed with
many years of continued great results and
enjoyment in the thought of the great happiness
you have given the world Scouts

Yours affectionately in Scout Brotherhood
Oleg Pantuckoff
